

Amenity Snow Clearance & Ice Prevention Treatments

Don't let your business be left out in the cold

With the nights drawing in and temperatures starting to dip at night, now is the time to be considering the implementation of ice treatment and snow clearance measures for your facility.

Frost and ice accumulations not only damage hard standing areas but also present pedestrian slip hazards and dangerous driving conditions.

Although not covered contractually we also offer a preferential Snow Clearance Service for our Ice Prevention clients. To help you keep cost down snow clearance is charged on an as requested, pay per use hourly basis.

Chapco supplies snow and ice clearance services to the public roads and footpaths of the Magna Park site. Competitively priced – we offer winter contracts that cover the treatment of your footpaths, car parks and commercial vehicle areas should a temperature of 2°C or below be forecast. We will manage the whole process, providing a safe operating environment for your staff, leaving you free to concentrate on your business.

Benefits

- Provides safe working environments for your staff
- Maintains business operational efficiency
- Extended winter cover 15th November – 15th March
- We monitor temperatures and deploy as necessary
- Preferential snow clearing rates and attendance times
- Additional treatments available via helpdesk facility

We manage complete process
